**NOTES FOR NEXT WEEK:**

**BEFORE YOU BEGIN:** As with any nutrition or exercise program, always review them with your doctor to ensure that they don't interact with or are contraindicated by any medications or medical issues you may have. If you haven't trained for a while, start out slow and go easy. If at any time you feel you are exercising beyond your current fitness abilities, or you feel discomfort, pain, dizziness, or nausea, you should discontinue exercising immediately. You are responsible for exercising within your limits.
